This past month brought several changes to our leadership team. We said goodbye to Kyra, our Executive Director in Training, and we are grateful to have Lucas stepping in to provide support during this transition. We also said farewell to our Assistant Director of Health Services, Leah, who will be deeply missed. In the meantime, Kayla has joined us as Interim Director of Health Services while we search for a permanent DHS. Additionally, we are actively hiring new nurses, home health aides, and a Community Life Assistant to strengthen our team and continue providing the highest level of care and engagement for our residents.

Thank you, Jason Hagemeyer

A reflection on Purpose and Presence
For residents: The beauty of a life well-lived

Let us pause and reflect on the beautiful journey each of us has traveled. The path behind us is filled with memories, lessons, and accomplishments. Your lives have been rich tapestries woven with threads of love, resilience, and wisdom. Now, in this present moment, your story continues to unfold. This chapter is a time to savor the richness of each day:

- **A new purpose:** Your purpose may shift, but it never fades. You are mentors and guiding lights to all around you.
- **The power of presence:** True fulfillment is often found not in the doing, but in the being. By fully experiencing the present, you connect to the deepest meaning of life.

For staff: The sacredness of service

To our compassionate caregivers and staff, we honor the invaluable work you do every day. You are not just employees; you are agents of grace and comfort. In every act of service, you are contributing to something greater than yourselves. Your work is spiritual practice that reminds us:

- **Connection is medicine:** A kind word, a gentle touch, and a moment of genuine human connection can bring immense healing and comfort. The care you provide nourishes the soul just as much as it supports the body.
- **Patience and compassion are a source of strength:** The path of caregiving can be challenging, but it is also a path of profound spiritual growth. Remember that patience and compassion are not just tools of your trade—they are gifts you offer from the heart, and they reflect the best of the human spirit.
- **You are not alone:** In moments of stress or frustration, remember your community. Lean on one another for support, and know that your efforts are seen, appreciated, and cherished.

For everyone: A shared journey

No matter our role, we are all on this journey together. The beauty of this community is that we share our lives, our stories, and our strength. Let us hold a space for one another in our hearts—residents and staff alike—recognizing that we are all connected by our shared humanity.

Executive Director In Training: Meet Lucas!

My name is Lucas and I am excited to be here at Yorkshire of Edina as your new Executive Director in Training. My background is in healthcare operations and client services, where I have focused on quality improvement, staff leadership, and supporting positive outcomes for seniors and residents. Outside of work, I live nearby with my girlfriend and our cat, and I enjoy golfing, discovering fun spots to get coffee or a drink, and cheering on Minnesota sports. I look forward to getting to know each of you and learning your stories as we share life here together. Please feel free to stop me in the hallway to have a chat!

Sales & Marketing:

Welcome to our Community and Yorkshire Family Joan, Barbara, Marcia, Burton, Margaret, and Bruce.

We're so happy to welcome you all to our community and family!

This is more than just a place to live — it's a place to belong, connect, and enjoy every day to the fullest.

Community Life:

Thank you everyone for supporting our “Fundraiser Family Cook-Out” to raise money for the Alzheimer’s Association. We had a dunk tank, live music, raffle prizes, and great food. We raised \$1,300+!

Special thank you to all of the companies and individuals who donated raffle prizes. We are so appreciative of everyone’s donations and support!

Director of Health Services:

Here are some upcoming dates & services to make note of.

10/13/25: Vaccine Clinic at 10:30am.

Vaccines Offered: standard flu shot, senior dose & moderna 12+ COVID vaccine. You must fill out consent form and give to front desk with insurance information, including Medicare AND supplemental insurance cards by 10/10/25.

11/4/25: Podiatry at 9am
